

## Another Step...Toward the Generous Life: Stewardship 2010

I seek to live a generous life in Christ, in response to God's amazing generosity to me, by giving a percentage of my income.  
I plan to take one step up in my giving, toward or beyond the biblical guideline of tithing (giving 1/10<sup>th</sup> of income), by:

STEPPING UP BEYOND TITHING

My desire is to do more than the minimum biblical guideline.

STEPPING UP TO TITHING

I will give 1/10<sup>th</sup> of my income toward our work together as the Body of Christ.

STEPPING UP TOWARD TITHING

As I grow in my faith, I have considered my giving as a percentage of my income.

MY 2010 COMMITMENT IS: \$ \_\_\_\_\_ per week / month / year (Circle one)

I must pause in my commitment for 2010.
